## **13 lucky for the Ladies**

*From the Guardian Series, first published Wednesday 19th Jan 2005*

The number 13 may be considered unlucky by some.

Not so Winsford Ladies who, on Sunday, won their 13th game in a row, this time beating Stockport County Blues 5-0.

Winsford are currently top of Cheshire and Manchester League Two, having scored 88 goals in the process and conceded just six.

And on Sunday they never looked like adding to their goals conceded column. Winsford started brightly and after only two minutes took the lead when a superb run and cross from Michaela Thompson found Vicky Stubbs who netted from the edge of the area.

Stockport were rattled and conceded a second goal 10 minutes later.

Thompson took a corner which evaded everyone and nestled in the corner of the goal.

And Winsford were soon three goals up when Vicky Jones cleared the ball to Sarah Lee who sent a 40 yard pass to Becky Hilditch.

She neatly collected the pass and slammed the ball into the net.

Three became four shortly before half time when Stubbs finished an excellent move.

And the scoring was completed on 72 minutes when Thompson scored her second of the afternoon.

This Sunday Winsford are at home to Macclesfield with kick off at 2pm.
