WINSFORD Ladies ran into double figures as they thrashed Airbus UK 10 – 1 at Barton Stadium at the weekend.

Ashleigh Kerr, Kylie Kettle, Sarah Lee and Danielle Lydiate each scored braces for Tony Lee's team as they moved up to fourth place in the North West Women's Regional League Division One South.

Hanna Hewitson and Vicky Jones grabbed the other goals for the blues.

"Our attacking play proved too much for them," said manager Lee afterwards.

"The second half was about damage limitation for Airbus and their keeper made a string of excellent saves to stop us scoring more goals."

Winsford make the return journey to Airbus UK on Sunday, kick off 2pm.
