## **Below par Ladies suffer**

*From the archive, first published Wednesday 26th Apr 2006.*

THIS was always going to be a difficult fixture for Winsford, playing away against an unbeaten Fletcher Moss side.

And with four key first team players missing, Winsford travelled with 11 players and no substitutes.

The first 20 minutes were fairly even with few chances at either end.

The first real opportunity fell to the home team when Winsford failed to deal with a corner and Fletcher Moss scrambled the ball over the line.

This spurred the home side on and 6 minutes later they doubled their lead.

Winsford had it all to do in the second half, which was not helped when two players were injured and with no subs Winsford had to play on with 9 fit players.

Quarter of an hour into the second half Winsford get themselves back into the match when a lovely through ball from Sharon Tidd found Sarah Lee in space and she beat the keeper to the ball and coolly lobbed her shot into the net.

Winsford then pressed for the equaliser, but were up against a resolute defence.

Then on 72 minutes Fletcher Moss scored the decisive third goal from a breakaway.
