WINSFORD Ladies continue their push to beat the drop tonight, Wednesday.

They travel to neighbours Frodsham Rangers in North West Women's League Division One South hoping for a repeat of their derby 3 – 2 success at Barton Stadium earlier this month.

Kick off is 7pm.

Tony Lee's team travel to Airbus UK for a crunch relegation clash on Sunday, kick off 2pm, where victory would all but secure their stay in the division for another season.
