## Girls go on goal march

RESURGENT Winsford Ladies were winners twice this week, banishing any lingering fears of relegation from the North West Women's League Division One South.

They have lost only once in their last nine matches, winning six, to move up to fifth place.

"It's been a great seven days," said manager Tony Lee.

His side completed a league double over neighbours Frodsham Rangers in mid-week when in-form forward Nicky Cooke, Danielle Lydiate and Vicky Jones were on target in a 3 – 1 win.

They followed that with a fine 6 – 2 success at strugglers Airbus UK on Sunday, Ashleigh Kerr (3), Sarah Lee, Hanna Hewitson and Kylie Kettle all getting their names on the scoresheet.
