Goals galore for ladies

From the archive, first published Wednesday 2nd December 2009.

WINSFORD Ladies carried on where they left off last weekend on Sunday, putting eight more goals past strugglers Airbus UK.

Blues raced into a two-goals lead early on when Kylie Kettle twice supplied assists converted by Sarah Lee.

Tony Lee's team doubled their lead before the break when further efforts from Kathryn Hulme and Vicky Jones ended the game as a contest.

The wet weather was the winner in the second half, but a brace from Danielle Lydiate and two goals from Natasha Handy took the visitors' tally to eight.

Their third successive win leaves them fourth in the North West Women's Regional League Division One South, two points adrift of Denton Town in third.

They travel to Preston North End on Sunday in the League Plate's first round, Kick off 2pm.
