Jay's goal joy

From the archive, first published Wednesday 31st March 2010.

Jay Anderson picked the right moment to score her first goal for Winsford Ladies on Sunday, finding the net in the second half to pinch a point off Macclesfield Town.

The hosts were depleted – manager Tony Lee only had 11 players to pick from – through a combination of injuries and unavoidable absences.

They trailed when a deflected shot put the visitors ahead but Kylie Kettle teed up Danielle Lydiate to restore parity on the half hour.

Macclesfield were back in front before the break though.

Winsford dominated the second period, eventually earning reward when Anderson scored for the first time in blue 20 minutes from time.

They return to action on Sunday week, April 11th against Denton Town.
