WINSFORD Ladies came out victorious in a one sided encounter against Macclesfield Town Ladies at Barton Stadium.

Winsford lost three midfielders through injury in the first 30 minutes and played the rest of the first half with only 10 players.

Despite this they dominated the game with player of the match Danielle Lydiate impressive throughout.

The breakthrough came on 15 minutes, when a superb pass by Sarah Lee, was expertly finished by Laura Renshaw.

Six minutes later an it was the same combination, Lee's through ball found Renshaw in space who made no mistake with the finish.

Despite the injuries, Winsford continued to dominate and the game was put beyond any doubt on 50 minutes when a superb through ball found Lee who outpaced the defence to make it 3 – 0.

Macclesfield continued to work hard and competed for every ball, but Winsford had too much quality.

On 80 minutes a great run by Carrie-Ann Bowyer found Lee in space who showed great composure to score her second of the game.
