

Ladies excel

From the Guardian Series, first published Friday 22nd Jul 2005

WINSFORD Ladies enjoyed their most successful Moss Farm Ladies tournament to date last week.

The U16s remained unbeaten in their group, winning twice and drawing twice to finish top of the pile.

And in doing so they outperformed the likes of Liverpool and Bury.

In the semi final they faced Everton and were unlucky to be eliminated on penalties, following a final score of 0-0.

Meanwhile the U14s were destroying all before them.

The youngsters won their group without conceding a goal and then faced Manchester City in the semi final.

They brushed City aside 1-0 to progress into the final where they met Tameside.

A tense game was decided deep into extra time when Tameside grabbed the winner.

And to cap a great day Sarah Lee won the U16s player of the tournament while Holly Morton grabbed the U14s award.
