

Football : Winsford Ladies 3 Stockport Ladies 1

From the archive, first published Wednesday 6th November 2007.

ANOTHER home match and another win keeps Winsford top of Division One. They played some of their best football of the season to overcome a determined Stockport side.

It took 30 minutes to break the deadlock.

A good move on the left saw Vicky Jones beat the defender to cross the ball into the area for a simple tap-in for Ashleigh Kerr.

Blues continued to dominate the game and the second goal came 10 minutes later from a fine individual effort from Kylie Kettle.

She beat two defenders before coolly slotting the ball past the keeper into the corner of the net.

The second half once again saw Winsford dominate possession and it was no surprise when the third goal came after 70 minutes.

This time Kettle lobbed the ball over the keeper from the edge of the box.

Winsford should have increased the lead, but the only blip on proceedings was an own goal five minutes from time - the first goal Winsford have conceded at home in six matches.
